\*In order to become members of the Association, the companies will fill the present application form and send it to the Managing Board who will accept or reject it within 2 weeks. The corresponding membership fee will be paid only after receiving the Board's approval.

If a company is recommended by at least 2 companies already members of the Association it will receive membership without Board's approval.

By providing my contact information I authorize " Societatea Romana de Mentenanță" and his partners to contact me with relevant information, announcements, invitations, offers, or other types of written or verbal communication.

Payment will be made in RON currency at the BNR exchange rate of the date of payment, according to the corresponding invoice or the "proforma" invoice.
